

THE FARMINGTON GLEN BRICK LEGACY CAMPAIGN

Hello Glen Members!

We would like to thank everyone for their enthusiasm and support for the brick paver legacy campaign.

Last year we sold 42 individual bricks and three corporate bricks. The kids loved looking for their family brick and seeing how long some of our members have been coming to the Glen. Right now the Jenks' family holds the record from 1962 with the Varns close behind at 1970.

As we continue to improve our swim club, we want to recognize our members. What better way than to have your legacy recorded in The Glen's history book forever by purchasing an engraved brick.

As each paver is purchased, a plain brick will be removed and your personalized engraved brick will take its place. Be a part of this new tradition by engraving your family name, thanking your favorite coach, recognizing your swimmers achievements or remembering a loved one.

Here are some examples of bricks purchased last year:
