

## Welcome Farmington Glen Aquatic Club Members!

We are excited to share reciprocity with you as you enjoy the amenities of our private dining Club! In the packet you will find the various menus with prices, Club hours, dress code and general information relevant to utilizing the Club.

We post our current events and *save the dates* for future events on social media along with our website: [www.huronriverclub.com](http://www.huronriverclub.com). The "google calendar" reflects a monthly overview of our scheduled events and entertainment guide while "events and news" will display the specific flyers as the event date draws closer. The HRC website also offers the ability to make reservations 'online' at any time. Please note, the Club will contact you to confirm all email or voicemail reservations; a friendly reminder that the Club is closed on Sunday and Monday with a few exceptions in the Spring for Sunday Brunch or an exclusive Wine Dinner!

All FGAC Members are required to make reservations for both Lunch and Dinner; If using the 'online' program, please provide your name, FGAC Member number, Cell phone and Email address. We cannot process any reservations if one of the above items is missing! As we begin our reciprocal program, we ask to provide us with a 48 hour notice to properly prepare and accommodate you and your family. All dining charges within the Club are to be paid in full at the time services are rendered. Our options for payment are with a credit card; we accept Visa, MasterCard, Discover and American Express. We will provide you with a copy of your bill and your charge receipt before you exit the table.

For additional questions or concerns, please contact the HRC

We look forward to meeting you as you enjoy delicious food in our unique and cozy atmosphere

## Dear FGAC Members

As we navigate through the reciprocal agreement sharing venues with both memberships, we encourage you to dine with us for lunch or dinner and enjoy our Club events. Reservations for all our *events* will be at the discretion of the General Manager to balance the flow of reservations amongst our members and additional reciprocal Clubs whom we share agreements with. We will reply to all FGAC members who make reservations with the HRC online or within the voicemail system; you will know during business hours whether your reservation is "confirmed or if we have sold out" a particular date or event.

~Thank you for understanding~
