A Message from Your President: Dennis Millinoff

Can I tell you a story?

When I joined the Board of Directors 7 years ago we reviewed the “State of The Glen.” While modern when it was built in 1962, the 50 plus years had taken a toll. Our new Treasurer reviewed our finances and found that most years, the club lost money. In fact, we had to borrow money each spring to open the club. The feedback to the Board from our members and prospective new members was alarming. “Run Down, Seen Better Days, and Looks Worn and Dated” were common. Families were joining other clubs rather than The Glen.

The situation had to be turned around to assure our clubs viability. We needed to update and modernize. The challenge was how to find the money without requesting a large dues increase or assessment from members. Our first action was to institute business “Best Practices.” Our Treasurer and Financial Committee reviewed all contracts and costs and put in place a budget that transformed The Glen from a club that lost money to one that put money in the bank.

An initial 5 year plan was created to improve the club. It included finding an experienced professional manager to run the club and a swim coach to not only develop a successful swim team, but to teach young swimmers how to learn life lessons while having fun along the way.

These changes assured we would have money and staff to transform The Glen. But there was a concern that all of us on the Board shared. With all the changes we had put in place, what could we do that first year until we had funds available to show members we were serious about making The Glen the Best Aquatic Club it could be.

And then it came to us, that old tiny porcelain water fountain hanging on the side of the building. Yes that’s it, the first “Brick in the Wall”.

And that’s how and why the first Glen renovation came to be.

So after you get something to eat or drink at our New Snack Bar and walk through our New Pavilion toward the water fountain at the Renovated Glen Clubhouse, I invite you to stop for a moment and reflect.

“It All Started with a Water Fountain”.

See you at The Glen,

Dennis Millinoff - President FGAC

Pre-Season Work Day – Cancelled for 2020

Hello everyone!

Spring is here - and normally you would know what that means, but this year is not a normal one. Due to the construction of the new pavilion, there will be less cleanup required and there would be additional difficulties with scheduling a work day so as to not interfere with the construction.

As result, we have decided to cancel the work day this year.

The Glen is picking up steam with its membership due to the closing of the Piemontese swim club in Farmington Hills. There are many inquiries about joining our swim club and all the Glen offers. I've given tours over the winter and will continue to give tours for those who would like to see the Glen up close and personally. If any of you have friends who were members of the Piemontese club, send them my way for tours, information on our swim club, swim team and social activities, please send them my way via email: membership@farmingtonglen.org .

Our membership is very strong for the 2020 season and we will keep many of the same things in place for the 2020 season that we did last year....hosting a fun and family day, having a booth at the farmer's market, continue to give tours to potential members. The Glen tends to sell about 30-35 bonds per season and much of that is thanks to our members who continue to brag about what a wonderful "stay-cation" the Glen is. If you would like a yard sign to help us promote memberships at the Glen, we have them!

Keep thinking those warm thoughts and summer will be here before we know it! Woohoo!!

Our fantastic coaching staff will be returning this year including head coach Drew Hansz and assistant coaches Molly Tyler, Gloria Martinez Perez, Katie Goncalves, Katie Tyler and Charlie Jones.

Our team continues to grow every year. Our all-inclusive environment focused on effort, discipline and fun allows Glen swimmers learn that hard work pays off and can be a lot of fun along the way.

Last Season we had our best season yet:

- Winning the NSSL League Championship
- Finishing undefeated in dual meets, for the 2nd year in a row!

Ready to Join the Swim Team?

The swim team is a great way to meet people at the Glen. Whether your child is learning to swim, a seasoned year-round swimmer or somewhere in-between there is a place for them on the team.

Swim team membership is open to any Glen member who is 18 years of age or younger and are able to jump into the pool independently, put their faces in the water and blow bubbles and propel themselves to the flags from the wall. If they aren't ready for the team yet consider our fantastic swim lesson program.

Information on the team can be found at through the link on the Glen page or at www.glenswimteam.com or join us at the **Kick-off meeting on Wed. April 29th at 6:30 pm at the Downtown Farmington branch of the Farmington Public Library.**

The kick off meeting is a great place to ask questions, meet the coaches and sign up for volunteer positions. Also, as always, Drew will reveal this year's Totem.
